

4TH GRADE TEACHER

Ashely Shanteau
Vancouver WA

Spanish Immersion Teacher Ashley Shanteau has brought STEM to the forefront of her 4th Grade Classroom. She began a STEM Fair for her students where they come up with and solve real-life problems and present them to STEM professionals in the community.

FUN FACT: Ashley first started her career in education and mentorship as a Big Sister in the Big Brother and Big Sister Program in Portland.

*“I want kids
to have a
vision of
themselves
in the
future”*
